

Quick Reference Guide

Webster Deposit-Link®

Allowing Popups

This is a service that allows clients to deposit checks remotely, using a desktop scanner. Deposit-Link can be found under the Check Services section of the top navigational bar:

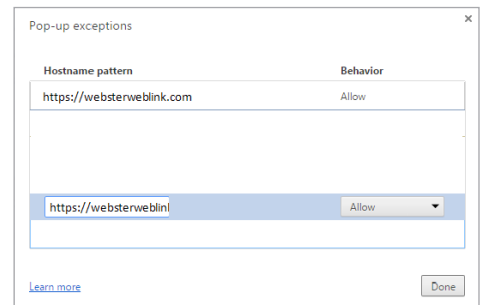

Depending on your entitlements, the top navigation bar may appear different, e.g. Home instead of Treasury Dashboard.

Allowing pop-ups or disabling the pop-up blockers in your Web browser allows you to access Deposit-Link. For additional help on enabling pop-ups, please refer to the Help function for your browser.

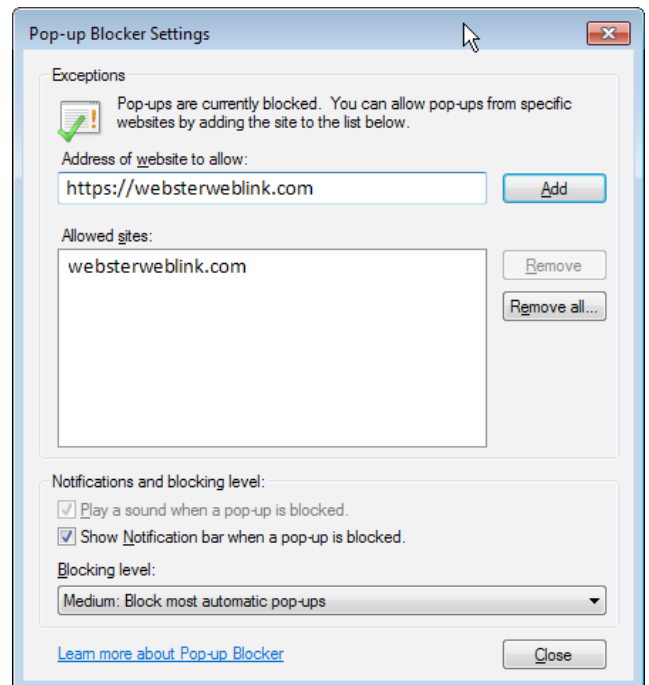

Chrome:

1. Click the menu in the upper-right corner: 
2. Select Settings.
3. Click Privacy Section and click Content settings.
4. Uncheck Block pop-up windows to allow all pop-up windows.
5. Or, to add an exception for Deposit-Link, click Manage exceptions.
6. Type <https://websterweblink.com>
7. Click Allow to add site to the pop-up blocker exceptions:
8. Click done.
9. Restart Chrome.

Internet Explorer:

1. Click the Tools button.
2. Select Internet options.
3. Click the Privacy tab.
4. Unclick Turn on Pop-up Blocker to allow all pop-ups.
5. Or, to add an exception for Deposit-Link, click Settings.
6. Type <https://websterweblink.com> and Add:
7. Click Close.
8. Restart Internet Explorer.

Microsoft Edge:

Enabling Pop-up Windows in Microsoft Edge

1. Click More button.
2. Select Settings.
3. Scroll down to Advanced settings.
4. Click View Advanced settings.
5. Switch Block pop-ups to Off.

Note: You will need to close then reopen Edge before your changes will take effect

Mozilla Firefox:

Pop-up blocker settings

To access the pop-up blocker settings:

1. Click the menu button "☰" and choose Options.
2. Select the Privacy & Security panel.
3. Under the Permissions section, uncheck the box next to Block pop-up windows to disable the pop-up blocker.
4. Or, to add an exception for Deposit-Link, click on Exceptions.
5. Address of website: <https://websterweblink.com>
6. Click Allow to add this address to the Allowed list.
7. Restart Firefox.
