Webster is the top CT-based bank among customers in the 2023 RepTrak reputation survey of America's 40 largest commercial banks. American Banker draws its list of companies from the Federal Reserve's list of commercial banks as of Dec. 31, 2022. The survey asks consumers to rate their own bank and others they are highly familiar with on seven factors: products and services, innovation, workplace, conduct, citizenship, leadership and performance. It also tracks emotional sentiment and actions consumers would take related to a given institution, including whether they would recommend it to someone else or work there.
